

## 8<sup>th</sup> Grade Social Studies

Mr. Jensen

### SUPPLIES

1. A notebook and folder for papers and notes
2. Paper for assignments
3. Pens
4. Pencils and erasers
5. The planner that the school supplies
6. A.R. books
7. Most important, your social studies book
8. Any newsworthy current events

### General Rules

1. RESPECT- This means respect others and their property
2. Follow directions the first time they are given.
3. Do not speak out of turn. If I am talking you need to be listening.
4. Raise your hand before speaking and I will call on you.
5. Pay attention- if you don't understand something and need more help that is fine but you need to listen so I don't have to repeat myself more than necessary
6. Do your homework- your grade will reflect your effort. If you don't do your homework your grade will suffer. Late homework will be graded accordingly. If more than a day late it will not count except few exceptions. (ex. Absent from school, or sick)
7. Do not throw things in class. If you have to give something to somebody hand it to them, if they are to far away to hand it to them ask permission to do so.
8. Get to class on time- that means in the class by the time the bell rings otherwise you will be sent for a tardy slip.
9. If you need help with an assignment come talk to me. I will be here before and after school if you need my help.

## Grading Scale

A	93-100
B	83-92
C	73-82
D	63-72
F	Below 63

The things that will make up your grade will be homework, quizzes, tests, and papers. Work must be done by you. If you are caught cheating it will be dealt with as it says in your hand book.
