

KNIGHTS OF COLUMBUS COUNCIL #999 SCHOLARSHIP

Each year the Knights of Columbus, Council #999, awards a \$500.00 scholarship to a graduating senior of the Missouri Valley High School.

The eligible student must have demonstrated an outstanding performance in the Social Sciences throughout his/her high school career. Also, preference will be given to the student showing a greater financial need. The school will determine the above criteria.

The recipient of the scholarship will receive a check after notification to the high school by the student of successful completion of the first semester with a minimum 2.5 GPA at any college, university, or vocational school. An alternate will be awarded the scholarship if the student fails to meet the recipient requirements.

A member of the Knights of Columbus scholarship committee will be in attendance at the annual school scholarship committee meeting to approve the recipient and alternate after review of the eligible applicants. The students' names will be announced at the Senior Honor Assembly.

Interested students should complete the attached application form and return it to the Counseling Office by March 1st.
