

You can help our school with the products you already purchase.

The Missouri Valley Elementary PTO collects the following:

Just clip them and send them to school with your child.

In addition, if you register your name and school information (be sure to mark the elementary school) at Boxtops4education.com, we will be entered to win bonus box tops and you will receive coupons and other money saving offers.

Boxtops4education.com also has a Marketplace where you can shop online at most of your favorite stores and get credit for our school.

Just start your online shopping trip at the Box Tops Marketplace, choose from over 100 participating retailers, then click to shop right on a store's website, just as you normally would. Our school is automatically credited eBoxtops with every qualifying Marketplace purchase made.

(We are not currently participating in the Box Tops Book Club).

Tell everyone you know to collect these labels. Keep them through the summer too.

You can also donate your coke rewards to our school - online.

The school also collects the metal tabs on pop cans for the Ronald McDonald House.

The funds raised through the collection of these items help support the PTO's effort to enrich the education of all students at our school. The PTO provides funding for: assemblies, field trips and many special projects. In the past, we have purchased: the new playground equipment, trees for shade, computers and updates for the computer lab and classrooms, and the equipment shed and its contents.

Thank you so much for your support, every label helps.

The PTO meets on the 4th Monday of every month in the Elementary Library at 6:30pm, we even provide free childcare during the meetings. Everyone is welcome and it's free to join. If you have any questions or would like more information on joining the PTO, I would love to hear from you.
