

MVHS Key Club

What is Key Club?

Key Club is the oldest and largest service group for high school students. It is a student-led organization whose goal is to teach leadership through serving others. We serve others in the school and in the community.

Key Club is part of the Kiwanis International group. Missouri Valley currently has a Kiwanis group made up of adults who want to serve children and youth.

Missouri Valley's Key Club was started in March of 1959 and we are the 4th oldest Key Club in the Nebraska-Iowa District.
